

# ***TEAMWORK***

## **Communicate:**

- Communication helps to avoid conflicts and low morale.
- Communication helps to resolve conflicts in a group.
- Keep everyone informed and up-to-date on what's happening in your organization.

## **Work Together:**

- Everyone has a purpose in team.

## **Participation:**

- Ask your members for help, this makes members feel they are part of the group.

## **Feedback:**

- Ask members for ideas and suggestions.
- Get the members opinions on what happened and how they feel. Get the to analyze the situation.

## **Organize:**

- Stay organized so when your team is working on multiply tasks, efforts are not done multiply times.

## **Creativity:**

- Allow members to be creative at times and think on their own instead of the group norms

## **Supportive:**

- Be supportive of your member's ideas and problems; show the organization cares about everyone.

## **THE NUMBER ONE RULE IN TEAMWORK:**

- THERE IS NO 'I' IN 'TEAM'WORK!
